SAATVIK AGRO

THE NATURAL JOURNEY OF PURE INGREDIENTS

From the richness of India's farmlands to the precision of our manufacturing systems, every drop of **Shakti Liquid Glucose** reflects the purity of its natural source. This liquid sweetener is crafted through a controlled conversion process that preserves clarity, consistency and flavour.

Shakti Liquid Glucose is designed for food and beverage manufacturers who value hygiene, uniformity and dependable performance across confectionery, dairy, bakery, frozen desserts and processed foods.

A seamless ingredient journey.
From maize to glucose to better-tasting products.

STRONG VALUES ROOTED IN PURITY AND PURPOSE

Saatvik Agro is guided by the belief that purity and consistency are the foundation of every high-quality food ingredient. Our teams uphold a value system built on integrity, technical excellence and a deep respect for the industries we serve.

With strong process discipline and uncompromising quality checks, we ensure that **Shakti Liquid Glucose** meets both domestic and global formulation standards.

Our supply chain is structured for reliability. From responsible sourcing to secure handling and storage, every stage is monitored to ensure hygiene and traceability. We work closely with our partners to ensure uninterrupted availability and consistent performance in their production lines.

WHAT MAKES US DIFFERENT?

We combine natural purity with scientific precision to deliver a glucose syrup that is clean, stable and highly functional.

We maintain exacting specifications for viscosity, clarity and sweetness levels through advanced processing and batch-wise testing. Our technical teams support customers with formulation guidance, application suitability and usage optimisation, ensuring that Shakti Liquid Glucose fits seamlessly into diverse product categories.

Saatvik Agro stands for ingredients that add value, not complexity.

KEY HIGHLIGHTS

1. Decades of agro-ingredient expertise
2. Integrated manufacturing with strict quality governance
3. High-consistency output for predictable food performance

VISION

To become a globally trusted, science-led agro-ingredients company that transforms natural crops into high-quality, sustainable solutions empowering food, pharma, nutrition, and industrial ecosystems worldwide.

Essence:
Trusted globally. Science first. High quality. Solutions for industries. Shakti as the power of nature, converted into functional ingredients.

MISSION

To build an integrated ingredient ecosystem grounded in innovation, quality excellence, and responsible sourcing, creating long-term value for all our stakeholders while enabling superior taste, texture, nutrition, and performance across products that touch everyday life.

Our mission is anchored in five pillars/commitments:

Safety as a Fundamental Responsibility

Uphold the highest standards of product safety, process safety, and workplace safety by embedding rigorous controls, compliance protocols, and a culture of care that protects consumers, employees, partners, and communities at every stage of the value chain.

Quality Without Compromiset

Deliver error-free, globally benchmarked, consistent, compliant, and high-purity agro ingredients across the entire Shakti range.

Innovation With Purpose

Advance ingredient science and application development to create functional, value-added solutions for food, pharma, animal nutrition, and industrial sectors.

Sustainability With Responsibility

Maximize crop utilization, reduce waste, and adopt energy-efficient and environmentally conscious processes to protect the planet's resources.

Partnership With Stakeholders

Strengthen long-term relationships with farmers, customers, employees, and communities through trust, transparency, and shared growth.

VALUES

Saatvik Agro's values define how we operate, innovate, and serve.

1. Purity in Purpose

We uphold Saatvik Group's founding belief in purity, integrity, and fairness, ensuring every product reflects honesty and authenticity.

2. Quality as a Discipline

We embrace rigorous quality controls, global standards, and continuous improvement, from raw material selection to final ingredients.

3. Innovation that Elevates

We encourage experimentation, R&D, and new thinking to develop functional ingredients that enhance taste, health, performance, and efficiency.

4. Responsibility to Planet & People

We commit to sustainable sourcing, optimized resource usage, and ethical practices while supporting farmer communities and prioritizing employee well-being.

5. Customer Partnership

We work closely with every customer to understand their applications, processes, and formulations, becoming a dependable ingredients partner, not just a supplier.

6. Excellence Through Consistency

We believe reliability builds brands. Every batch, every shipment, every specification must meet the same stringent standard.

SAATVIK AGRO

Ingredients for Healthier Food

Ingredients for a Smooth and Sweet Experience

Shakti Liquid Glucose is a clean, viscous syrup used to enhance sweetness, improve texture and deliver moisture stability in a wide range of food products. Its neutral aroma and clarity allow it to blend seamlessly with flavours, colours and stabilisers.

SAATVIK AGRO

Shakti Liquid Glucose enriches confectionery, ice creams, jams, jellies, beverages and bakery goods by providing a smooth mouthfeel and balanced sweetness. It also helps prevent crystallisation, ensuring products retain freshness and consistency for longer
