MAIZE DRY FIBRE

SAATVIK AGRO

FROM NATURAL GRAIN TO FUNCTIONAL LIVESTOCK NUTRITION

Shakti Maize Dry Fibre is one of the most valuable components of maize processing, delivering a steady source of energy, natural fibre and nutrients for cattle and poultry.

Shakti Maize Dry Fibre is produced through a careful separation process that preserves the natural structure and digestibility of the fibre.

Designed for use in cattle feed and poultry feed blends, it provides slow-release energy, supports digestive efficiency and contributes to overall health and productivity.

A clean, dependable fibre ingredient.
A natural support for livestock well-being.

STRONG VALUES THAT STRENGTHEN NUTRITION

At Saatvik Agro, every ingredient begins with a commitment to purity. Shakti Maize Dry Fibre reflects this commitment by maintaining the natural integrity of maize fibre while ensuring consistency in colour, granulation and nutrient content.

Our processing systems are designed to protect nutritional value, creating a fibre ingredient that supports digestive health, energy utilisation and immunity in livestock. Feed manufacturers depend on ingredients that behave predictably in formulation. We ensure that each batch meets the same standards for moisture, granulation and fibre content.

WHAT MAKES US DIFFERENT?

What makes us different is our focus on reliability, uniformity and long-term nutritional value. We produce Shakti Maize Dry Fibre with the discipline required for feed systems that demand consistency every day.

KEY HIGHLIGHTS

1. Clean, uniform flakes for easy blending
2. A natural contributor to energy and digestive function
3. Stable fibre source with dependable nutrient levels

VISION

To become a globally trusted, science-led agro-ingredients company that transforms natural crops into high-quality, sustainable solutions empowering food, pharma, nutrition, and industrial ecosystems worldwide.

Essence:
Trusted globally. Science first. High quality. Solutions for industries. Shakti as the power of nature, converted into functional ingredients.

MISSION

To build an integrated ingredient ecosystem grounded in innovation, quality excellence, and responsible sourcing, creating long-term value for all our stakeholders while enabling superior taste, texture, nutrition, and performance across products that touch everyday life.

Our mission is anchored in five pillars/commitments:

Safety as a Fundamental Responsibility

Uphold the highest standards of product safety, process safety, and workplace safety by embedding rigorous controls, compliance protocols, and a culture of care that protects consumers, employees, partners, and communities at every stage of the value chain.

Quality Without Compromiset

Deliver error-free, globally benchmarked, consistent, compliant, and high-purity agro ingredients across the entire Shakti range.

Innovation With Purpose

Advance ingredient science and application development to create functional, value-added solutions for food, pharma, animal nutrition, and industrial sectors.

Sustainability With Responsibility

Maximize crop utilization, reduce waste, and adopt energy-efficient and environmentally conscious processes to protect the planet's resources.
