SAATVIK AGRO

SHAKTI

MAIZE GERM

SAATVIK AGRO

FROM PURE MAIZE TO HIGH-NUTRITION VALUE

Shakti Maize Germ is derived from the most nutrient-dense portion of the maize kernel. Naturally rich in oil, amino acids and essential nutrients, it serves as a highly palatable and digestible ingredient for animal nutrition and industrial applications.

Its slow release of starch supports steady energy levels, making it valuable in cattle, poultry and specialized feed systems. The golden granules retain the integrity and aroma of natural maize, offering a balanced nutritional profile suitable for oil extraction, feed enrichment and food-related industrial use.

Nature's concentrated nutrition.
High-energy maize germ designed for performance.

STRONG VALUES THAT SHAPE NUTRITIONAL EXCELLENCE

At Saatvik Agro, quality begins at the source. Shakti Maize Germ is processed with care to preserve its natural oil content, colour, aroma and nutrient density. Our approach ensures that every batch maintains consistent granulation and purity, giving feed manufacturers and processors a dependable ingredient they can rely on.

Our supply chain and quality systems prioritize traceability and hygiene. We monitor each processing phase to safeguard the nutritional integrity of the germ, ensuring stable performance across different applications such as animal feed, cooking media and oil extraction.

WHAT MAKES US DIFFERENT?

What sets Saatvik Agro apart is our belief in responsible processing, consistent quality and long-term dependability. For customers seeking premium maize germ with predictable behaviour and high nutritional value, Shakti Maize Germ stands as a trusted choice.

KEY HIGHLIGHTS

1. Golden, nutrient-dense granules
2. High palatability and digestibility
3. Naturally rich in essential oil

VISION

To become a globally trusted, science-led agro-ingredients company that transforms natural crops into high-quality, sustainable solutions empowering food, pharma, nutrition, and industrial ecosystems worldwide.

Essence:
Trusted globally. Science first. High quality. Solutions for industries. Shakti as the power of nature, converted into functional ingredients.

MISSION

To build an integrated ingredient ecosystem grounded in innovation, quality excellence, and responsible sourcing, creating long-term value for all our stakeholders while enabling superior taste, texture, nutrition, and performance across products that touch everyday life.

Our mission is anchored in five pillars/commitments:

Safety as a Fundamental Responsibility

Uphold the highest standards of product safety, process safety, and workplace safety by embedding rigorous controls, compliance protocols, and a culture of care that protects consumers, employees, partners, and communities at every stage of the value chain.

Quality Without Compromiset

Deliver error-free, globally benchmarked, consistent, compliant, and high-purity agro ingredients across the entire Shakti range.

Innovation With Purpose

Advance ingredient science and application development to create functional, value-added solutions for food, pharma, animal nutrition, and industrial sectors.

Sustainability With Responsibility

Maximize crop utilization, reduce waste, and adopt energy-efficient and environmentally conscious processes to protect the planet's resources.

Partnership With Stakeholders

Strengthen long-term relationships with farmers, customers, employees, and communities through trust, transparency, and shared growth.

VALUES

Saatvik Agro's values define how we operate, innovate, and serve.

1. Purity in Purpose

We uphold Saatvik Group's founding belief in purity, integrity, and fairness, ensuring every product reflects honesty and authenticity.

2. Quality as a Discipline

We embrace rigorous quality controls, global standards, and continuous improvement, from raw material selection to final ingredients.

3. Innovation that Elevates

We encourage experimentation, R&D, and new thinking to develop functional ingredients that enhance taste, health, performance, and efficiency.

4. Responsibility to Planet & People

We commit to sustainable sourcing, optimized resource usage, and ethical practices while supporting farmer communities and prioritizing employee well-being.

5. Customer Partnership

We work closely with every customer to understand their applications, processes, and formulations, becoming a dependable ingredients partner, not just a supplier.

6. Excellence Through Consistency

We believe reliability builds brands. Every batch, every shipment, every specification must meet the same stringent standard.

SAATVIK AGRO

Ingredients That Deliver
Natural Energy

Shakti Maize Germ delivers concentrated natural energy through nutrient-rich maize components that support strength, growth, and productivity in livestock. Its balanced composition aids efficient digestion, improves stamina, and enhances feed intake. Suitable for cattle, poultry, and aquaculture, it integrates smoothly into feed formulations, ensuring dependable performance and sustained nutritional support.

SAATVIK AGRO

Shakti Maize Germ is a high-energy ingredient valued for its slow starch release and rich nutrient profile. It supports robust growth and stamina in livestock, while its natural palatability enhances feed acceptance.

Its oil-rich composition provides sustained nourishment and contributes to improved metabolic function in poultry, cattle and aquaculture. Feed producers appreciate its clean aroma, vibrant colour and uniform granulation, which make it easy to integrate into blended formulations.

Nutrition that sustains.
Energy that lasts.

SAATVIK AGRO

SHAKTI MAIZE DRY FIBRE

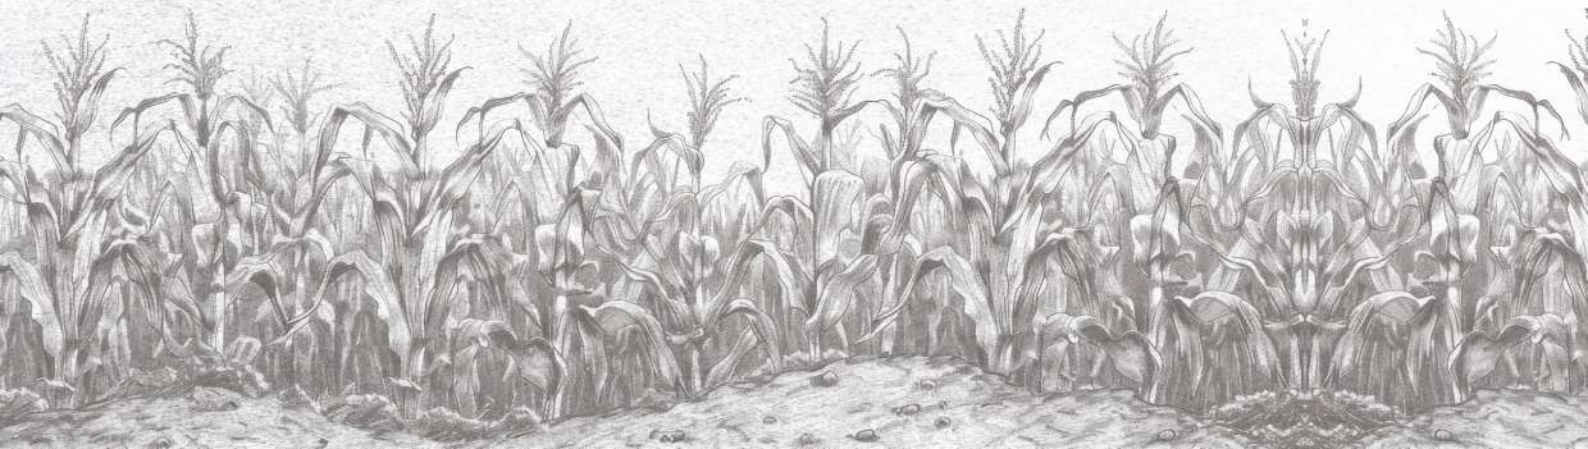

SAATVIK AGRO

A NATURAL SOURCE OF OIL, AMINO ACIDS AND ESSENTIAL NUTRITION

Shakti Maize Germcontains naturally occurring oil that supports a wide range of health functions in animals. Its amino acid content assists in muscle development, while its antioxidant properties contribute to improved immunity.

It is also widely used in industrial sectors for oil extraction and for cooking media due to its clean, stable profile.

A versatile ingredient for both animal nutrition and industrial applications.

SAATVIK AGRO

PRODUCT DESCRIPTION

Shakti Maize Germ is a high-energy feed ingredient that provides essential nutrients to support livestock growth and performance. It helps improve feed palatability, enhances stamina, and supports efficient metabolism. Ideal for cattle, poultry, and aquaculture, it blends easily into feed formulations for consistent nutritional results.

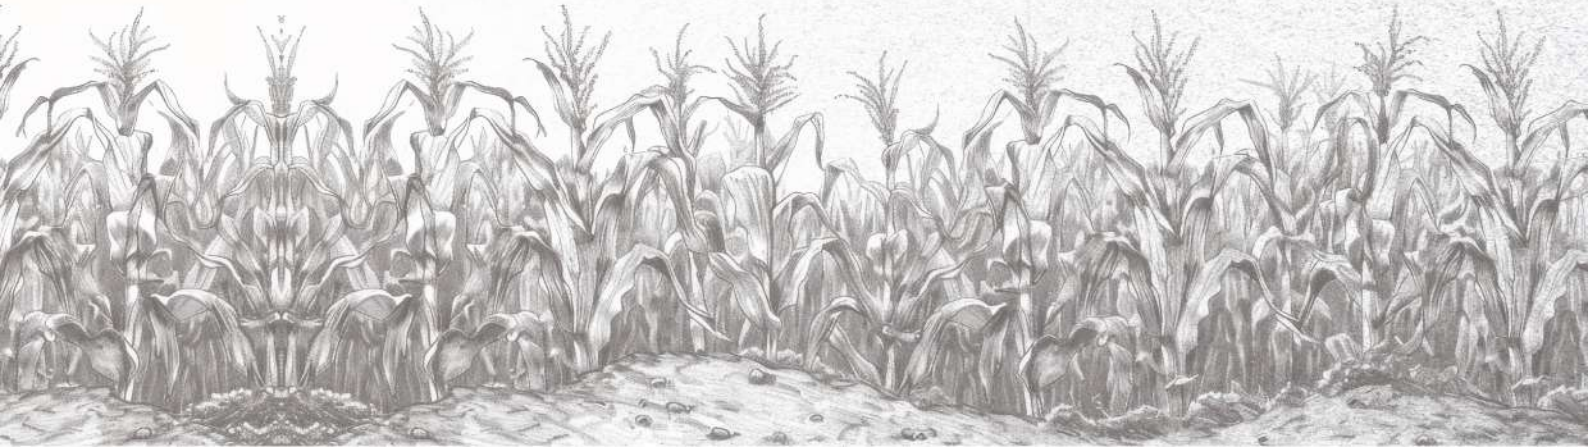

FUNCTIONALITY

Shakti Maize Dry Fibre performs as a:

- **Rich source of natural oil with health benefits**
- **Improves immunity in livestock**
- **Provides essential nutrition**
- **Rich in amino acids for growth and performance**
- **Acts as a natural antioxidant**

These attributes make Shakti Maize Germa valuable, multi-use ingredient across feed and industrial sectors.

SAATVIK AGRO

APPLICATIONS

Ideal for a wide range of industries:

Primarily used for oil extraction and industrial purposes

Used in livestock and poultry feed formulations

Suitable for cooking-related industrial use

SAATVIK AGRO

TECHNICAL SPECIFICATIONS — SHAKTI MAIZE GERM

Parameter	Specification
Percentage Carbohydrate	11 percent maximum
Moisture	5.0 percent maximum
Percentage Fat Content	40.0 to 45.0 percent
Percentage Fibre Content	8.0 percent maximum
Percentage Protein Content	10.0 percent minimum

CERTIFICATIONS

These specifications reflect a stable nutritional profile suitable for oil extraction, feed enrichment and industrial processing.

SAATVIK AGRO

SUPPLYING STRENGTH TO THE WORLD

Saatvik Agro serves partners across food, pharma, and industrial ecosystems in India and international markets.

Our integrated manufacturing capabilities and stringent QA systems ensure reliable supply for both domestic and export customers.
