SAATVIK AGRO

SHAKTI

MAIZE GLUTEN MEAL

SAATVIK AGRO

FROM NATURAL GRAIN TO RELIABLE NUTRITION

Shakti Maize Gluten Meal begins with the natural strength of maize. Through a refined separation process, the most nutritionally concentrated portion of the kernel is extracted to create a clean, golden ingredient valued for its protein content, digestibility, and fibre.

This maize gluten delivers balanced nutrition and dependable performance, making it an essential component in poultry, cattle and aquaculture feed formulations.

A natural source of protein.
A consistent source of energy.
A dependable ingredient for feed manufacturers.

STRONG VALUES ROOTED IN PURITY AND PURPOSE

Saatvik Agro believes that animal nutrition begins with ingredient integrity. Shakti Maize Gluten Meal reflects this belief through its purity, consistency and carefully maintained quality standards. Every batch is processed to support efficient digestion, better nutrient absorption and improved feed conversion.

Our production systems are designed to protect the natural nutritional value of maize gluten. The result is a dependable ingredient that supports the daily requirements of growing livestock.

WHAT MAKES US DIFFERENT?

What sets us apart is our disciplined approach to quality and the precision with which we maintain protein levels, moisture content and overall nutritional balance. Feed manufacturers depend on stability. We ensure it with every shipment.

KEY HIGHLIGHTS

1. Reliable nutritional profile
2. Clean, golden appearance for easy blending
3. Stable and uniform texture

VISION

To become a globally trusted, science-led agro-ingredients company that transforms natural crops into high-quality, sustainable solutions empowering food, pharma, nutrition, and industrial ecosystems worldwide.

Essence:
Trusted globally. Science first. High quality. Solutions for industries. Shakti as the power of nature, converted into functional ingredients.

MISSION

To build an integrated ingredient ecosystem grounded in innovation, quality excellence, and responsible sourcing, creating long-term value for all our stakeholders while enabling superior taste, texture, nutrition, and performance across products that touch everyday life.

Our mission is anchored in five pillars/commitments:

Safety as a Fundamental Responsibility

Uphold the highest standards of product safety, process safety, and workplace safety by embedding rigorous controls, compliance protocols, and a culture of care that protects consumers, employees, partners, and communities at every stage of the value chain.

Quality Without Compromiset

Deliver error-free, globally benchmarked, consistent, compliant, and high-purity agro ingredients across the entire Shakti range.

Innovation With Purpose

Advance ingredient science and application development to create functional, value-added solutions for food, pharma, animal nutrition, and industrial sectors.

Sustainability With Responsibility

Maximize crop utilization, reduce waste, and adopt energy-efficient and environmentally conscious processes to protect the planet's resources.

Partnership With Stakeholders

Strengthen long-term relationships with farmers, customers, employees, and communities through trust, transparency, and shared growth.

VALUES

Saatvik Agro's values define how we operate, innovate, and serve.

1. Purity in Purpose

We uphold Saatvik Group's founding belief in purity, integrity, and fairness, ensuring every product reflects honesty and authenticity.

2. Quality as a Discipline

We embrace rigorous quality controls, global standards, and continuous improvement, from raw material selection to final ingredients.

3. Innovation that Elevates

We encourage experimentation, R&D, and new thinking to develop functional ingredients that enhance taste, health, performance, and efficiency.

4. Responsibility to Planet & People

We commit to sustainable sourcing, optimized resource usage, and ethical practices while supporting farmer communities and prioritizing employee well-being.

5. Customer Partnership

We work closely with every customer to understand their applications, processes, and formulations, becoming a dependable ingredients partner, not just a supplier.

6. Excellence Through Consistency

We believe reliability builds brands. Every batch, every shipment, every specification must meet the same stringent standard.

SAATVIK AGRO

High-Protein Nutrition for Reliable Feed Performance

Shakti Maize Gluten Meal provides a concentrated source of plant-based protein with naturally occurring carotenoids. Its high digestibility supports efficient nutrient absorption, while a balanced amino acid profile contributes to steady growth and overall animal performance.

It blends seamlessly with other feed ingredients, offering uniform mixing, good flowability, and reliable nutritional consistency.

SAATVIK AGRO

Shakti Maize Gluten Mteal delivers a concentrated source of protein while maintaining a low-fat profile. Its natural fibre content aids digestion, while its amino acid profile supports muscle development and feed efficiency.

This ingredient mixes well with other feed materials, offering uniformity, clean handling and predictable nutritional behaviour.

A strong foundation for poultry and cattle feed systems.

SHAKTI MAIZE GLUTEN MEAL

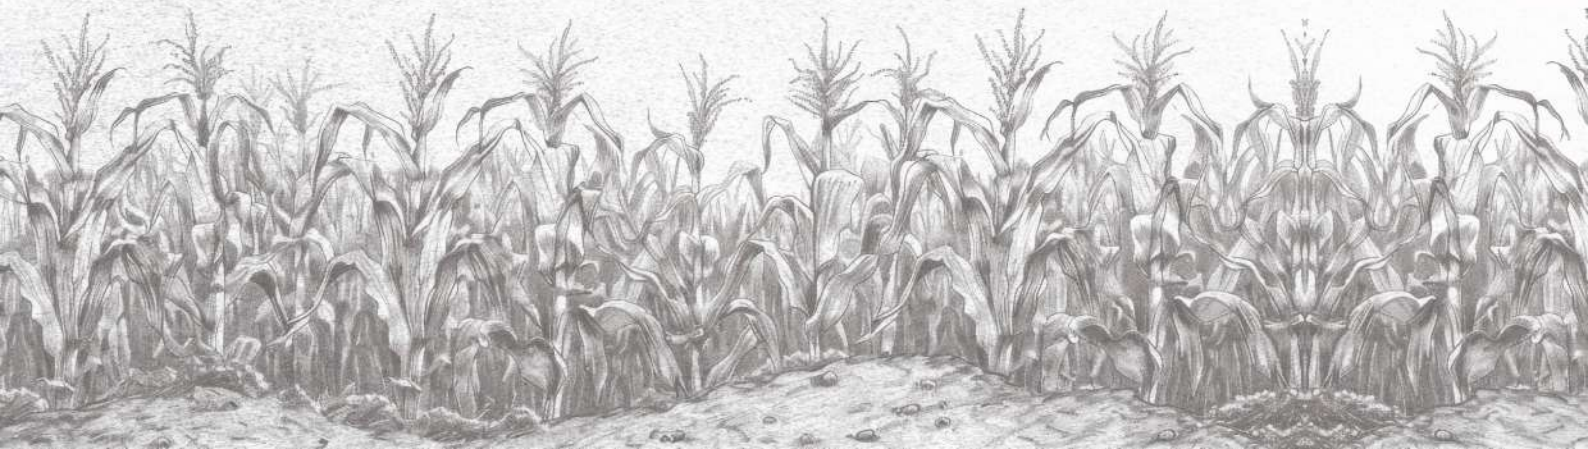

SAATVIK AGRO

CONSISTENT QUALITY FOR LIVESTOCK NUTRITION

Shakti Maize Gluten Meal is produced with strict attention to colour, granulation, moisture and nutrient levels. This ensures feed manufacturers receive an ingredient that blends smoothly, stores well and performs reliably.

Our quality controls monitor every stage of processing to maintain a clean, golden appearance and a stable nutritional profile that livestock producers can trust.

SAATVIK AGRO

PRODUCT DESCRIPTION

Shakti Maize Gluten Meal is a high-protein by-product obtained during the wet milling of maize. It is rich in crude protein, natural carotenoid pigments, and essential amino acids, making it an excellent ingredient for animal feed applications. Produced under controlled processing conditions, it appears as a golden yellow to light brown free-flowing powder with uniform particle size and low moisture content.

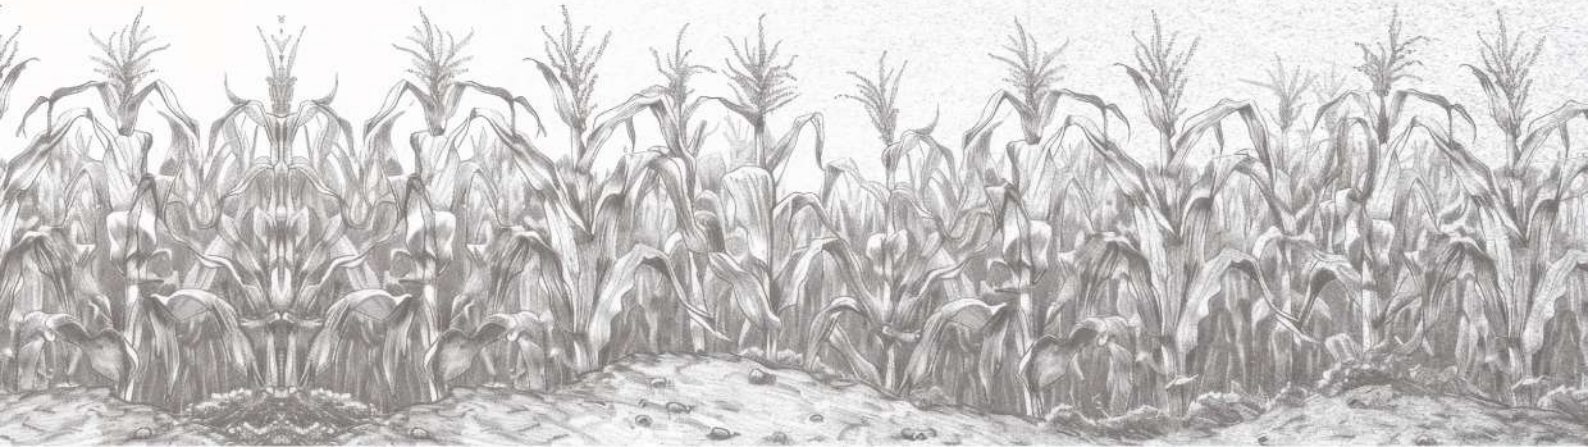

FUNCTIONALITY

Shakti Maize Gluten Meal performs as a:

- **High protein, low-fat feed ingredient**
- **Consistent source of energy and fibre**
- **Source of amino acids for livestock**
- **Supports digestion and absorption**
- **Contributes to improved immunity**
- **Enhances muscle development and growth**

These functions make Shakti Maize Gluten Meal a dependable choice for feed producers aiming for balanced and efficient nutrition.

SAATVIK AGRO

APPLICATIONS

Ideal for a wide range of industries:

Used as a meal for poultry and cattle feed

Suitable for blended formulations in livestock nutrition

SAATVIK AGRO

TECHNICAL SPECIFICATIONS — MAIZE GLUTEN MEAL

Parameter	Specification
Appearance	Pale yellow granule or powder
Moisture	Maximum 12.0 percent
Protein (Dry Basis)	Minimum 60.0 percent
Fat (Dry Basis)	Maximum 2.0 percent
Crude Fibre (Dry Basis)	Maximum 3.5 percent
Total Ash (Dry Basis)	Maximum 2.0 percent
Carbohydrates (Dry Basis)	Minimum 30.0 percent
Sand Silica	Maximum 1.5 percent
